

Michele Baird WMP's Top Broker of 2007

Michele Baird has been honored as Wallowa Mountain Properties Top Producing Broker of the Year for 2007.

Mrs. Baird's total real estate sales production in 2007 was in excess of five million dollars. Her real estate expertise and genuine concern for her clients have allowed her to be one of the top-producing brokers for Wallowa Mountain Properties for the past several years. Last year she was a runner-up to Jayne Warrener who received a plaque honoring her as the 2006 Top Producing Broker.

Michele joined Wallowa Mountain Properties in 1997. Since then she has earned her Principal Broker's designation, Accredited Buyer's Representative (ABR) designation and she also completed Graduate Real Estate Institute (GRI) course. From 1999 to 2004 she served as Director of Education for the Wallowa County Board of Realtors.

As with many Wallowa Mountain Properties brokers and employees, Michele believes in giving back to her community. As a ten-year member, and six-year Chairperson, of the Wallowa County Chamber of Commerce Citizen's Awards Banquet Committee she has been instrumental in coordinating and assuring that one of Wallowa County's outstanding events is elegant and trouble-free. Michele and her husband, Jeff, enjoy their Alder Slope home where Michele keeps horses. She enjoys riding, snowshoeing, hiking, bicycling, and painting award-deserving artwork.
